Application of WorldCom, Inc. (debtor-in-possession) d/b/a MCI and Certain of its
Subsidiaries (as debtors-in-possession) for Authorization to Transfer and/or Assign
Blanket Domestic 214 Authorization and International Section 214 Authorization (filed
June 13, 2003), WC Docket No. 02-215

Dear Ms. Dortch:

On June 13, 2003,¹ WorldCom, Inc. (debtor-in-possession) d/b/a MCI and certain of its subsidiaries (as debtors-in-possession) ("WorldCom") filed applications pursuant to sections 214 and 310(d) of the Communications Act of 1934, as amended, in the above-referenced proceeding to assign and/or transfer the blanket domestic and international section 214 authorizations held by WorldCom in bankruptcy. ("Application"). These errata correct certain errors in the filed Application:

- 1) Footnote 4 of the Application incorrectly states that WorldCom would also be filing an application for consent to assign a DBS license. WorldCom no longer holds a DBS license. Consequently, WorldCom will not be filing such an application. Please omit this reference.
- 2) Exhibit F to the Application incorrectly includes three entities as holders of international section 214 authorizations: Premiere SkyTel, Inc., MTEL Long Distance Company, Inc., and MTEL Communications, Inc. These entities were inadvertently included in this Exhibit and should not be associated with this filing. Please omit these listings.

¹ According to the International Bureau's records, WorldCom's application to transfer its various international section 214 authorizations was filed on June 27, 2003.

We regret any inconvenience this may have caused.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'K. Johnson', written over the typed name.
